

Plane Addition

$$m = r + 5$$

r	m
0	

Plane Addition

Materials:

- Recording sheet
- Graph paper

Directions:

- 1) Generate the first 5 terms in a sequence using the rule below, with the starting number 0.

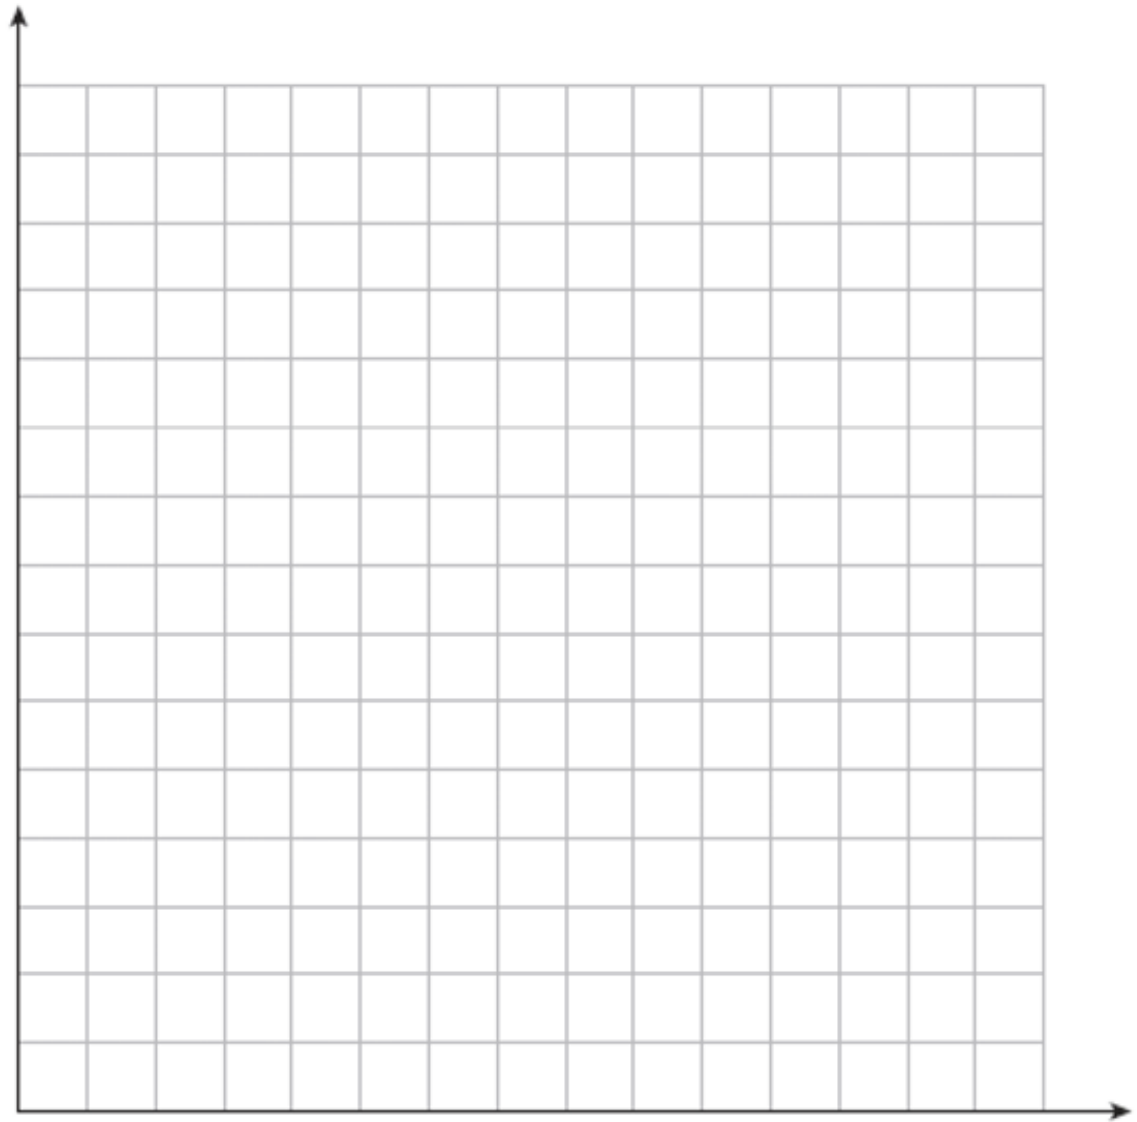

$$\text{rule: } m = r + 5$$

- 2) Record the terms in a table and graph the ordered pairs on a coordinate plane.
- 3) Determine the 15th term. Explain how you found the 15th term.

Plane Addition - Recording Sheet

$$m = r + 5$$

r	m
0
