# Show Me One More!

## Materials:

- Ten-sided die
- Counters
- Ten frames

## Directions:

- 1) Roll the die.
- 2) On your ten frames, you and your partner should create the number that is **one more** than the number you rolled.
- 3) Compare your ten frame to your partner's ten frame to see if you both created the same number. Explain why you created the number that you did.
- 4) Roll and repeat.
